

CANNING AND FREEZING

Assistant: Bobbi Best

CANNING

1. Use clear brand name jars with rings and jelly jars. Jars should be labeled with product name and canning date. **If an entry contains more than one ingredient, a list of ingredients must be supplied for the judge** MUST be canned within two canning seasons. All jellies, jams and preserves MUST be processed jelly jars with rings and NO PARAFFIN. **Failure to comply with these rules will disqualify your entry for judging. Any canning rings showing rust will be disqualified .
2. If you have more than 10 items for entry, please obtain entry tags from the Extension Office ahead of time and have them filled out.
3. Judges and individuals who will consume products from county and state competitions should be informed that they are at risk for food borne illness since the established policy, cannot guarantee that any entry which may be a "potentially hazardous food" has been properly prepared or handled before, during or following the competition. Tasting of a food product is solely at the discretion of the judge. Judges are **NOT** to taste any low-acid or acidified preserved food, like green beans or tomato products, and are discouraged from tasting any other home preserved food.

YOUTH - UP to 12 YRS. OLD
